

SHOULD MY CHILD HAVE THEIR CAMERA ON IN CLASS?

A guide for K-5 families

BEING ON CAMERA HELPS MOST CHILDREN

When the teacher can see your child during class, it's easier to tell how they are learning.

SOME KIDS NEED IT OFF

For a few children, having the camera on can be scary or distracting.

WHAT ABOUT PRIVACY?

Have your child sit in front of a wall or hang a sheet behind them to help protect your privacy at home

THE TEACHER WILL TELL THE CLASS TO TURN CAMERAS ON

LET'S WORK TOGETHER

If we have made a "camera off" plan with your family, we will follow it.
